Arnaov Garg

PERSONAL DETAILS

Current Location	Muzaffarnagar
Date of Birth	October 31, 2006
Male	

EDUCATION

Graduation

Course	B.Tech/B.E. (Computers)
College	SRM Institute of Science and Technology, NCR Campus, Ghaziabad, Ghaziabad
Score	8.64%

Schooling	Class XII	Class X
Board Name	CBSE	CBSE
Medium	English	English
Year of Passing	2024	2022
Score	61%	87%

INTERNSHIPS

IBM SkillsBuild | January 2025 - February 2025

- I was able to carry out an extensive project on secure data hiding in images through steganography. My project entailed hiding sensitive data within digital images to provide improved data security and privacy. Utilizing sophisticated algorithms, I created techniques that incorporated hidden data without affecting the original image quality. I also carried out extensive analysis of various steganographic methods, assessing their efficacy and uses in fields like cybersecurity and digital forensics. Consequently, I constructed and demonstrated an operational prototype that proved to be reliable in transmitting concealed data through different communication channels.

PROJECTS

Secure Data Hiding in Image Using Steganography | January 2025 - February 2025

- In the digital era, data security is a significant concern. Traditional encryption methods are often targeted by hackers. Steganography provides a solution by embedding sensitive information within images, making it nearly undetectable. This project aims to implement a secure and efficient method for hiding data within images using advanced steganographic techniques.

AWARDS AND HONOR

- sip abacus champions trophy
chess winner at city level
house captain in school for 2 years
